

Hello [Authorizing Official or Primary Contact]

You received an email on the week of November 1 informing you that Clovis Oncology, Inc. ("Clovis") was partnering with Kalderos to effectuate 340B drug discounted prices for 340B contract pharmacies. We are writing today to notify you that Clovis has made the decision not to implement this program at this time.

Accordingly, there is no requirement for covered entities to sign up for a Kalderos 340B Pay account. Clovis' products remain available through all of the channels through which they have been available historically.

If you have questions regarding purchasing Clovis products at 340B prices, please contact Clovis Pricing Admin at [priceadmin@clovisoncology.com](mailto:priceadmin@clovisoncology.com)

Regards,

Clovis Oncology, Inc. @ [priceadmin@clovisoncology.com](mailto:priceadmin@clovisoncology.com)
