¹ All codes should be verified between the provider and the payer.

Cencora is not promoting any specific product, or making any claims about the safety or efficacy of these products. Cencora strongly encourages our customers to review the labeling information for any product and to rely on their own clinical judgment before ordering or prescribing any product for a particular patient.

² Based on information contained in the product labeling and package insert and not on any independent testing or assessment by Cencora or its entities. Customers are strongly advised to review each product's label and package insert for more information.

* mNEXSPIKE vaccine is indicated for all adults 65 and older, as well as individuals aged 12–64 years with at least one or more underlying risk factor as defined by the Centers for Disease Control and Prevention (CDC)
