

2026-2027 flu vaccine program

The program

Priority for preorders

Get ahead of the demand for vaccines. Preorder by May 31, 2026, to receive priority shipping based on manufacturer shipping schedules.¹

Best price logic

Rest assured you'll get your lowest authorized price from product order to product shipment date.

Flexible returns

You can return vaccines² to minimize the risk of being left with product that you can't use.

Variety of products

Choose from every presentation of flu and COVID-19 vaccines on the market along with various vaccine options for RSV covering all patient age groups.

Ordering convenience

Order anytime from wherever you are with convenient options including online via ABC Order, email, phone, or fax.

Knowledge

Your dedicated seasonal vaccine team is here to assist you throughout the entire season.

¹Flu vaccine preorder terms and conditions preorders may be modified until May 31, 2025. Starting June 1, 2026, preorders and orders will be considered firm and non-cancelable. Seasonal vaccines ship based on availability from the manufacturer and Cencora, or its entities, will not be held liable for product unavailability, shortages, or delays. View our full [2026-2027 flu vaccine terms and conditions](#) for additional details.

²Cencora accepts return requests for unused doses for credit at the end of the season based on manufacturers' terms and conditions. Please note that all return requests must comply with the terms listed in our seasonal vaccines return policy to qualify for return credit.
